**THE MISSION OF PROJECT INNOVATION:
ACTION TO POWER OUR LOCAL ECONOMY**

Opportunity

An opportunity has presented itself to Collier County. Join us as we welcome the Jackson Laboratory to the next Community of Innovation Program. They will be discussing the opportunity for the Jax Florida Institute to become a reality here in Collier County. This program is open to everyone in the community to meet the Jackson Laboratory officials and learn of their plan to expand and create an Institute of Personalized Medicine in Eastern Collier County.
